Subject: Determination of Completeness, Construction and Demolition Landfill (C&DLF) Unit,
Johnston County C&DLF, Permit No. 51-03, Johnston County, Document ID No. (DIN) 5182

Dear Mr. Proctor:

On June 23, 2008, the Division of Waste Management (the Division) received your permit application for continued of your C&DLF. The report is entitled:

Permit Application. Johnston County C&D Landfill (Permit 51-03) Continued Operations. Prepared by: Richardson Smith Gardner & Associates (RSG), Raleigh, NC. Prepared for: Johnston County Department of Public Utilities. June 20, 2008. DIN 4982.

The Division has preformed an administrative review of your application for a determination of completeness. Your application has been determined to be complete within the context of NCGS 130A-295.8(e). A determination of completeness means that the application includes required components, but does not mean that the components provide all the information that is required for the division to make a decision on the application. The next step is for the division to review the submittal for compliance with the Solid Waste Management Rules (the Rules), 15A NCAC 13B .0547.

Johnston County Department of Public Utilities is authorized to continue operating the C&DLF Unit in accordance with your most recent Solid Waste Permit – Permit to Operate dated August 24, 2007, and the Rules, 15A NCAC 13B.

Should you have any questions regarding this matter you may contact me at (919) 508-8507
